Product Description

Premier Portable Buildings LBC Lofted Barn Cabin

If you have been looking for that perfect easy solution for your lake lot, or backyard getaway, or looking for a tiny home solution the Lofted Barn Cabin is a great place to start. The 6' porch makes the space very usable, loft areas in the side make a great sleeping cove, and add some 3-Tier shelves for easy, convenient storage.

Upgrades available include but are not limited to spray foam insulation, 3'x3' windows or 2'x3' insulated windows, extra loft space, work benches and shelving, metal siding, and premium 3/4" tongue and groove flooring.

Standard Features:

- Barn Style Roof with 6'6" height under loft
 - One (1) 36"x78" 9-Lite door
 - Three (3) 2'x3' windows
 - 2"x6" pressure-treated floor joists spaced 16" on center
 - 5/8" tongue-and-groove flooring
 - 6' deep porch full width of the building
 - Urethane Siding [Metal Siding Available for additional cost]
 - Truss plates are used on ALL JOINTS for maximum stability
 - 50-year warranty on siding
 - 30-year Metal roof
-
