Product Description

Big Green Egg Butcher Paper

Big Green Egg Pink Butcher Paper is perfect for wrapping smoked meats to prevent moisture loss at the end of the cooking period, keeping the meat tender and juicy. The natural fibers allow the meat to breathe and develop a smoky flavor and crunchy bark and helps decrease the cooking time of your favorite barbecued meats, so you'll be enjoying your food sooner.

- FDA-approved, unbleached paper with no wax or coating to affect the flavor of the food
- 100% food-grade inks
- 75 ft (22.8 m) x 18 in (46 cm) roll
- Wrapping smoked meat at the end of a low and slow cook helps to prevent moisture loss. Use after cooking to keep food moist and tender
- Butcher paper doesn't reflect heat like aluminum foil; this allows you to easily maintain consistent cooking temperatures
- Ideal for barbecue; the paper will not fall apart when soaked in oil or food juices
- Makes a great presentation for serving your barbecue favorites
